This is not a University of Calgary restriction but a result of the service provider being located in the USA. To by-pass the service provider and obtain technical support, please email the details of your issue to it@ucalgary.ca.

It is **important** that you read through this page before going through the other sections of the application. Please click the checkbox below to confirm that you have read this page.

How much is the application fee?

A non-refundable application fee of \$125.00 (CAD) will be charged for applicants who have attended institutions in Canada only. A non-refundable application fee of \$145.00 (CAD) will be charged for applicants who have attended institutions outside of Canada. You may pay your application fee by Visa, Mastercard or American Express at the end of this application or submit payment through an alternate payment method. For Spring applications, the deadline for payment is February 1st. For Summer and Fall applications, the deadline for payment is March 1st.

Admission averages are competitive. Meeting the requirements for your program does not guarantee admission.

Students presenting less than 12 units of academic post-secondary coursework will be considered high school applicants. Admitting average will be calculated using program specific approved courses; either 2 A level and 3 O level courses OR 4 A/S level and 1 O level course will be used for the calculation. In progress A/S and A level students must submit predicted grades. See details below.
